

***LOWER  
YOUR  
TAXES***

***INCREASE  
YOUR  
IMPACT***

This year your giving to Cornerstone Church is enabling us to help more people than ever through our humanitarian, medical and ministry activities. And now when you give to Cornerstone Church it will actually help you lower your taxes more than ever!

**This year, due to the CARES Act, you can now deduct 100% of your charitable giving.** This is up from 60% in previous years. The more you give, the more ministry we can do for those that are in desperate need... and the more you can deduct from your taxes.

This tax incentive is only available for donations made before December 31, 2020. There is no better time to give to Cornerstone Church than today.
